O R D E R

On December 12, 2005, East Kentucky Power Cooperative, Inc. ("East Kentucky") filed a partial response to the information requested at the November 29, 2005 hearing and moved for an extension of time until December 22, 2005 to file the remaining information. As grounds for its motion, East Kentucky states that its staff must analyze various alternative transmission projects that may affect the manner in which it responds to the requests.

As there is no statutory deadline for completing this proceeding, and recognizing the importance of receiving thorough responses to the information requested, the Commission finds good cause to grant East Kentucky's motion.

IT IS THEREFORE ORDERED that East Kentucky's motion for an extension of time is granted and its responses to the remaining information requested at the hearing shall be filed by December 22, 2005.

Done at Frankfort, Kentucky, this 20<sup>th</sup> day of December, 2005.
